City of The Dalles Public Works Department

Water Distribution, Wastewater Collections and Transportation crews may need to work in the roadway any time of year but more often during the fair weather construction season April - October.

Watch for construction alert press releases on the City of The Dalles website and the City Hall Facebook page. The Dalles Chronicle and radio stations may also announce construction alerts.

Work Zone Safety is Everybody's Responsibility

 Slow down before and throughout areas marked with orange cones.

 Watch for workers; drive with caution

 Allow ample space between you and the car in front of you

 Expect delays, especially during peak travel times

Like City of The Dalles-City Hall on Facebook for timely construction alerts
