PRESS RELEASE

DATE: June 18, 2019
TOPIC: Pavement Preservation Projects, June 19, 20 & 24, 2019
CONTACT: City of The Dalles Public Works Department (541) 296-5401
FOR RELEASE: IMMEDIATELY

This week, Wasco County crews will begin work on several pavement preservation projects in the City of The Dalles. This work has been scheduled on Wednesday June 19, Thursday June 20 and Monday June 24, 2019.

These chip seal projects will require short duration road closures between 7:00 a.m. and 5:00 p.m. at each location on the date the work is scheduled to take place. Detours will be in place during work hours.

Work scheduled for Wednesday June 19, 2019:

ROAD	FROM	TO
Veterans Dr.	Columbia View Dr.	End
E. 18th St.	Thompson St.	Morton St.
E. 16th St.	Thompson St.	Shearer St.
E. 15th St.	Thompson St.	End
Thompson St.	E. 10th St.	E. 18th St.
E. 12th St.	Thompson St.	2295' East
E. 10th St.	Thompson St.	Richmond St.
E. 19th St.	Dry Hollow Rd.	Hospital

Work scheduled for Thursday June 20, 2019:

ROAD	FROM	TO
Finish E. 19th St.	Dry Hollow Rd.	Hospital
E. 10th St.	Dry Hollow Rd.	J St.
E. 14th St.	Kelly Ave.	Washington St.
E. 14th St.	Union St.	Washington St.
W. 16th St.	Trevitt St.	Bridge St.
W. 15th St.	Bridge St.	Mt Hood St.
Bridge St.	W. 14th St.	W. 18th St.

CHIP SEAL - Is the application of a special protective wearing surface to an existing pavement. A thin layer of liquid asphalt is sprayed down in front of the chip spreader by a distributor. A dump truck full of chips (crushed rock) locks onto a chip spreader which is pulled backwards. The chips spread over the liquid asphalt are then compacted by rollers.

Chip seal projects may require a total lane closure for a day or part of the day. Equipment is slow moving and must cover the same area multiple times. Once the crew has left the work area, the rock is left on the road surface for seven to ten days so that vehicle traffic can continue to lock the rock into the liquid asphalt. Excess chips are then removed by sweepers to be reused on the next chip seal project.

Work Scheduled for Monday June 24, 2019:

ROAD	FROM	TO
E. 10th St.	Kelly Ave.	Union St.
W. 11th St.	Union St.	Trevitt
Trevitt St.	W. 3rd Place	W. 10 th St.

This road work is expected to extend the service life of the pavement structure.

Please proceed with caution in these areas during construction times and observe all temporary traffic control devices. Thank you for your assistance during this work.
